4. If this amendment requires the filing of a document or documents, please list -

None

5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains. If more space is needed, full size insert sheets may be used.

The answer to item 11. is amended to read:

During the reporting period registrant continued to give information to the public and to travel agencies as well as to freight forwarders. The information referred to timetables and rates for the transportation of passengers and freight on the German Federal railroad as well as on other European railroads, bus lines and other carriers. This information was given orally in the office of the registrant and by approximately 1,200 answers to written inquiries.

Communications were had with the Interstate Commerce Commission which concerned regulatory transportation matters exclusively. At the request of the foreign principal, the Interstate Commerce

The undersigned swear(s) or affirm(s) that he has (they have) read the information set forth in this amendment and that he is (they are) familiar with the contents thereof and that such contents are in their entirety true and accurate to the best of his (their) knowledge and belief. (to be continued on attached sheet)

(Both copies of this amendment shall be signed and sworn to before a notary public or other person authorized to administer oaths by the agent, if the registrant is an individual, or by a majority of those partners, officers, directors or persons performing similar functions who are in the United States, if the registrant is an organization.)

  
Juergen Arnold  
Deputy Representative

My commission expires \_\_\_\_\_

Reimer Koch-Weser  
REIMER KOCH-WESER other officer)  
Notary Public, State of New York  
No. 31-2163965  
Qualified in New York County  
Commission Expires March 20, 1976

5. (continued)

Commission is contacted from time to time by registrant to obtain or to verify information concerning traffic policies, tariff matters or related technical or factual details. Much of this information is obtained by telephone.

Contacts were also maintained with American railroads, trucking companies, steamship lines and air carriers for the exchange of technical and commercial information.

Advertising and distribution of folders was continued in the usual manner. There was nothing unusual during the reporting period.
